Hospital, Asmara, Eritrea**
Oct. 28th- 30th 2016

Hands-on-training

Hemostasis, Polypectomy
Colonoscopy, Proctoscopy

Greeting adress

Dear Professors, friends and colleagues,

2016 is the 25th anniversary of the founding of Eritrea. On its silver jubilee year, Eritrea has much to commemorate and celebrate, most notable the fact it has established in a short time in the face of continued hostilities, an independent and stable nation.

“Hands-on” endoscopy training for Eritrean doctors is one of the goals of Eritrean-German Training Partnership e.V. (GETP) and ArcheMed.

Since 2004 member of GETP perform endoscopy courses in Arabic countries and Germany. Many of our tutors are alumni who received their training both, at home and at German universities. Our tutor teams seem to be unique, because we can offer training in Arabic, English, German and some African languages like Tigrinya. It’s not only the language that improves courses, it’s also a different cultural background that e.g. enables Sudanese tutors to fit the needs and to understand the challenges of our colleagues working in other Arabic and African countries.

We are very glad, that due to the sponsorship of the Association for the Quality-Oriented Practical Training in Endoscopy e.V., several companies will joins us. It’s another step in the direction to establish a central training place for endoscopy training on an international outstanding level. We highly appreciate the continuous support of the Ministry of Health in Eritrea. At this time we offer several courses on bio models: upper and lower GI endoscopy, polypectomy and hemostasis. We look forward to a successful “hands-on” oriented endoscopy course at the Orotta National Referral Hospital.

Yours sincerely

Prof. Dr. Jürgen Maiss CA Dr. Martin Grauer RN. Hiwot Diebel

EASIE Model Training Courses

Venue: Orotta Referral Hospital, Asmara

Registration: Orotta Hospital Asmara, Eritrea

Basic & advanced: upper and lower endoscopy, hemostasis, polypectomy, rectoscopy

10⁰⁰ - 10³⁰

Friday, Oct. 28th 2016

OPENING CEREMONY

Ministry of Health
Prof. Dr. Jürgen Maiss
Hiwot Diebel

10³⁰ - 12³⁰

BASIC COURSES

■ **Basic upper endoscopy**
Dr. Naegel, CA Dr. Grauer

■ **Proctoscopy, Rectoscopy**
Hiwot Diebel

■ **Colonoscopy**
Prof. Dr. Maiss, Prof. Dr. Negassi

12³⁰ - 13³⁰

Lunch Break

13³⁰ - 15⁰⁰

LECTURES

■ **Training Possibilities in Endoscopy**
Prof. Dr. Maiss

■ **Foreign Bodies**
Dr. Naegel

15⁰⁰ - 15³⁰

Coffee Break

15³⁰ - 17⁰⁰

ADVANCED COURSES

■ **Advanced upper endoscopy with hemostasis and ligation**
Prof. Dr. Negassi

■ **Proctoscopy, Rectoscopy with ligation and injection**
CA Dr. Grauer, Dr. Naegel, Hiwot Diebel

■ **Advanced Colonoscopy and Polypectomy**
Prof. Dr. Maiss, Dr. Youssif

09⁰⁰ - 11⁰⁰

Saturday, Oct. 29th 2016

BASIC COURSES

■ **Basic upper endoscopy**
CA Dr. Grauer

■ **Colonoscopy**
Dr. Naegel, Dr. Youssif

■ **Proctoscopy, Rectoscopy**
Prof. Dr. Maiss, Hiwot Diebel
